Sir Mr. Dawson

Dear Sir

It is agreeable to
you I should like to put
a copy of your "Town of Lige",
in the case of specimens I
am now preparing for the
Colonial and Indian Ex-
hibition Can you send me
a copy for that purpose?
Can you make any other su-
ggestion about this little col-
lection.

I herewith enclose a
memoir and am you left on
my table. The pencil you
also left please allow me
to keep as a souvenir of you

Yours truly
