Alfred R. C. Selwyn, L.L.D., F.R.S., Director.

MUSEUM & OFFICE, SUSSEX ST. OTTAWA.

Feb. 18th 1886

Sir Wm. Dawson

Dear Sir

I hear with, at Mr. Whiteaves request, send you the two sections you wished to have made from the specimen of Tylocladon, collected at Prince Edward Island by Mr F. Bain, in 1885. They only show a little pitted structure. Should you want the specimen, please let me know and I will forward it

Yours truly
Alfred R. C. Selwyn
