

March 2. /86

Dear Mr William Loomis

As Tuesday the 10<sup>th</sup> of March  
will be a very suitable day - I propose  
2 o'clock - unless you would prefer to  
have it three o'clock instead - in  
which case you can let me  
know -

Mr. Henderson & I shall be glad to  
have you with us at lunch on that  
day at 1 1/4 if it would suit you  
Other arrangements -

I thank you very much for coming  
reminding me that it is not a public  
meeting but simply for the students

I remain

Yours truly

J. H. Loomis
