

Tomney

British Association for the Advancement of Science,

22, ALBEMARLE STREET,

LONDON, W.

April 1 1886

Dear Mr William Dawson

Being to my successive
illness and Galton's absence
from London I have taken
to my old work for a short
time. Stewardson has
handed me your letter
of March 15th and I have
directed him to send you
the books post a bundle

hospitality -

It will be quite time if
you bring the manuscript
of your address with you
in July -

Personally I may mention that
I have several friends in
Birmingham so that if you
wanted anyone particularly
looked after I could give
a private hint -

I am very glad to learn
from your letter that we shall
to some have the pleasure

of seeing Lady and Miss
Dawn - Hope they will
not fail to let us know
as soon as they arrive -

He Selwyns are in London
Mr Haack also is here -

Very sincerely yours

J. G. Bonney

of circulars what is send to
write "distinguished presence"
to the meeting.

Will you kindly send them
to such eminent persons
as you think may be induced
to come, and perhaps you
will be so good as to notify
to the Secretary the names
and addresses of those
who accept, that the local
authorities in Birmingham
may be informed and every
effort made to secure
