

C. D. Mead

M. C. Gill College.

Apr 1, 1886

Dear Mr Mead,

I beg to thank
you very much for your
kind invitation, of which
I hope we shall be
able to avail ourselves.
During the meeting of
the Association however
I suspect that the
necessities of meetings
of Council we will
require us to be nearer

the scene of operations.
We hope however to
be able to visit Birmingham
a week or so before
the meeting so as to
renew acquaintance there
and to see the local
exhibition which I believe
is to be held, and if
this would be convenient
to you, shall be happy
to avail ourselves of

from kind hospitality at
that time.

Lady Dawson and
our daughter are to
leave by the Sarnia
next week and ex-
pect to meet our son
St. R. Dawson in London
and to spend a little
time with him there.
I shall not be able
to leave Montreal

At the end of June,

With very kind
regards and good
wishes

Remain

Yours sincerely

Madame
