GOVERNMENT HOUSE,

OTTAWA.

April 16. 06

Dear Sir William Dawson

I am much obliged for
your note and enclosed
circulars. We shall all
feel proud to think that
the next meeting of the
British Association will be
held under your Presidency,
and I have no doubt
that it will be a successful
one.

Let me take this opportunity

of the evening you are having
again allowed us the use
of rooms for the examination
for the musical scholarship.
With my kind

regards to Daddy Dawson

I am
Dear Sir William

Yours sincerely

Laurence
