My Dear Sir

By this Morning
Mail I sent the Manuscript of your paper
and proof sheets - and with this please
find drawings and proof.

The "Artist" in photographing, considerably
enlarged it - and it is not good in other respects -
but what is worse - after photographing they
destroyed the drawings - or at least it cannot
be found - so it is this or nothing - Will it
answer - I had this firm do the work as I
was advised that they were excellent workmen -

I notice that you give the
Magnification both on the plate and in
the description - Is that necessary -

Yours truly

Thomas
