John G. Bourinot.

Hon. Sec.

Ottawa, May 10th. 1886

Dear Sir N.

The following letter explains the results of the applications of myself & other Fellows for passes & Maritime members. It is a small business and an educated Minister like Sir Charles Tupper would not engage in it.

I shall have the members of the crew entertained here free. I cannot do more. Let me have the abstract of your paper to print here at once
Yours sincerely,
John G. Bourinot
