Dear Sir.

Your post card has been forwarded to me here - I am very much obliged to you for your great kindness in bringing over the fossils I wanted for me.

I wrote to you about three weeks ago, but our letters have probably crossed - I will likely be here till the end of the month - fishing being the order of the day from morning to night -

I hope to be at Birmingham on the 1st. Sep - such is my present arrangement -

& I hope nothing will pre-
vent me from carrying it
out - Do you wish a list
of the British coal plants
& those from the Lower Carb.
as far as I can make it
up? If so, I will devote
all the time I can to it
on my return home, but
before Sep-1, I will require
to go from home for a little.

With kindest regards

Your truly
W. Maury
