Richmond. July 18.

My dear Helen

I have seen some very nice rooms very near me & in a good road, near the Park, on the Hill. They are two & a half guineas a week - The only extra is the kitchen fire - 2/6 a week. The houses are filling so fast now - that I think your friends had better write about them if they want to come - The rooms are very nice - two bedrooms & a sitting room. I have looked

at several & these are much
higher for the money than any.
I know some as near me, but
I prefer these - & the others are
£4.4.0 a week, & kitchen fire
extra. & not so cheerful -

Mr. Anneston's house is too small
for a gentleman -

I am so sorry you cannot
come to see me - but hope you
will do so at a future time.
In haste your friend

Yours affly

Jessie Jane Rogers.

I have written you
the address of the
rooms at 2 $\frac{1}{2}$ gms
to be sent to you.

Alu Rapier.
