

Robert
Harpenden.

St Albans, July 19 1886

Dear Sir William Dawson.

It will give Mrs. Selous
and myself great pleasure
if you, and Lady Dawson,
and Miss Dawson, will
spend the day with us here
on Tuesday, July 27. The
most suitable train would
be the 11.10 from St. Pancras
Station (Midland) to Harpenden.
The plan of the day would

be kept luncheon soon
after arrival, inspection
of the experiments, and
dinner some time
between 4.30 and 6 accord-
ing to your engagements.
That is whether you need
return of the 6.35 or a
later train.

Mr. Pittel joins me
in kind remembrances
to Lady Dawson, Miss Dawson,
and yourself, & I am
Dear Mr. Williams
Yours sincerely
J. H. Pittel
