Dear Sir William Dawson

I understand that
you have arrived in
London, so I regret
that I am not there
to pay my respects to
you and offer my
humble services to be
useful to you -

However should any-
thing bring you in this

neighborhood we
should be most happy
to receive you here

I was travelling in
Germany when I had the
honour of receiving

your announcement
^{that} of distinction conferred
on by your University,

I can only ever repeat that
it affords me much
gratification and that
I appreciate the compliment

Very highly -

I may be in London
for a short time before
the meeting of the B-
Association at Birming-
ham, but there is no
notice of a Council
meeting at present

I hope that you will
fully enjoy yourself
during your visit to
this country

Believe me
Dear Sir William
Yours sincerely
