Dear Sir W^m Dawson.

We are very pleased
to hear that Lady Dawson
and your son are doing
well, and trust they
will soon be restored
to health - They had
indeed a narrow escape
and must have had
a severe shaking and
we were very pleased

to the able friends their
assistance under the
very unfortunate circumstances

My wife joins me in
kind regards to Lady Dawn
and your son and

Believe me

Yours very truly
