Hampstead, N.W.

Dear Mr William Dawson

A letter similar to  
that written to Lord  
Sandown Hall to  
address to the care  
of Lady Sandown -  
Altho' you have gone to  
Switzerland so I will  
address to it -

I do not understand  
about the medal - I

Knock everything relating  
to it had long been  
settled - But you can  
explain when we meet

To day I am expecting  
a "strong" friend and shall  
not get down into London  
I am uncertain when he  
leaves tomorrow so do  
not like to make an  
appointment - But  
I will be as he

Athenaeum any time you  
like to appear on Thursday  
afternoon between 2.30 and  
4.30 - this if equally  
convenient to you will  
be more so to me. as I  
have another appointment  
in that neighbourhood  
that afternoon

Kind remembrance to  
Lady and Miss Down

Sincerely yours

H. Bonney
