

August 6 1846

Dear Sir W^m. Dawson

I was very glad to find that it is Friday the 20th, & not this day, that you go to Worcester.

As I am sworn I shall go down home at once, & remain there

till Monday the
23rd, unless
anything unforeseen
should happen -

My address is
Barnard's Green House
near Malvern
and I shall be glad
to hear from you
there when you know

where you will be in
Worcester —

If you could possibly
manage to arrive there
on Thursday night,
the 19th, you could
then have a day in
Worcester, & devote
~~as~~ the other day to
the scenery & geology
of the Malvern —

Mr. Hastings will be
glad to pay any
attention in his power
to Lady Dawson -

Yours' very trsf
G W Hastings -
