Sir W. Dawson

Dear Sir,

Would you favour me
with a call at my place
as above, and see a large
composition group - that I
took - of the Members of the
British Association on their
last visit to Birmingham

It has been suggested
that I should arrange a group
as a commemorative picture of
the members of the present

Meeting. and if that
should meet - with your
approval - I should like
to speak with you about
it -

I remain

Yours obediently
