Dear Sir W. Dawson

I venture

I trouble you with

this in consequence

of leaving you

my son Henry Cusson

that you are which
I heard at Birmingham
before the meeting
of the British
Association
of which you
are the

President, I have
not been able,
I write sooner
as I did not
know your address.
If I am right
& this should
find you at
Birmingham

Write to say how
much pleasure
it will give
Lady Seehfield
myself to see you
& Lady Dawson
if you can come here
on Monday next,
yours

In a night - one
two as many
be movements

I join -

My son Henry
is away in
Scotland just
now but
quite

quite looks
forward to
the pleasure of
seeing you
again soon
Stay
Yours
Richard
