

① "The Coppice": Nottingham.

Sunday Afternoon

5<sup>th</sup> September  
1886.

Sir W. Dawson

Lunatic

President

The British Association

Birmingham.

In the Association

Dear Sir,

Having observed from the News-  
papers - the few that fall under  
our eye - as "in Patient" in a  
Lunatic Hospital - Insane in  
the Opinion of self-satisfied -  
and self-righteous - men - that  
a meeting of your Society is  
being held at present - having  
more interesting data for  
the world than any living  
Person - in human form - has  
ever yet had to offer for the  
consideration of a learned  
Society - We presume to address  
you - as President thereof.  
Sir George Campbell - in the  
Anthropological Section - speaking  
of "practical rather than Scientific"  
"Anthropology" (whatever that may  
mean - we confess to being mystagogical.)

which naturally precludes our Compre-  
hending, not merely Theoretic- or Specu-  
lative-branches of Exact and system-  
tized Knowledge - other than Scientific-  
being practical) - "The Study and Cultivation"  
"of the Creature Man as He exists - rather"  
"than that Branch of the Subject which seeks  
"to inquire into His Origin and Development -"  
(and how He is to be nursed upon "as"  
"He exists" without the Contemplation  
of "His Origin and Development" we are  
compelled to leave to Mr. Gladstone  
who can give "the History of an Idea"  
without any Idea of Its History -  
anterior to the Period when It formed"  
"Hail" - Wondrous Creator! - in His own  
Mind) stated that "He had never been"  
"able to get any Information who the"  
"Aberdonians were, and Why the Language"  
"They spoke was so different, in Its Form,"  
"and Intonations, from that of the rest"  
"of Scotland".

Sir George had adopted a System of  
"Test Words" in Bombay. That calls  
to memory that - during Gladstones  
Trip to Scotland lately - we observed  
the mention of the name of some Village  
or Town - of Indian Origin. It will be  
found referred to in our "He Dies in"  
"Diem" manuscript Evidences of Mental  
Development to which we drew the atten-  
tion of that Gentleman - in our hasty Letter  
of yesterday.  
We only can suppose - unless the Name  
Hail was wrongly printed - or - always a  
possibility - we owed - that - for some  
occult Reason - the Name had been  
given to that Place by a Person who

had reader heard it pronounced -  
as an Indian name - or that it had  
been handed down by Tradition from  
earlier than Historic Times in Scotland.  
We venture to enquire whether Sir  
George Campbell would propose to Risp.  
different Breeds of Man in Paddock.  
Also how much would be charged  
for the highest Service? For strength  
might it not be well to revive  
Palaestrian Games? Tigrans usually  
are supposed to pain themselves  
fancy. Paganism did not reduce  
the Stature of Man so much as  
French Religion did it? Do you think  
it would pay to Experiment with a  
View to produce a Class of Men not  
such damned Fools as Sir George?  
What would He suppose would become  
of Personal Freedom? We learn that  
the People of Cornwall are cited as  
a Superior Breed. We cannot entertain  
a very exalted Opinion of them - from  
what little we know about them.  
We married a Cornish Woman. She  
and Her Father and Brothers and  
Sister - all Cornish Folk we suppose -  
having either shoved us into a huma-  
tic Asylum - in May 1885 - since  
in every respect - as we claim -  
and only crave the Privilege of being  
allowed to address your Scientific  
Assembly to prove it - than any man  
who ever lived in Human Form - upon  
this Earth - or permitted us to be  
thrown into one - after a 20 years  
absence in America - except for a  
period of about 15 months - when  
we were very ill all the Time from  
an Abscess - and when they did  
not know anything whatever about  
our mind - we never having retained

Correspondence with them - partly  
because of Yankee's Rumours of our  
Insanity - and in part by reason  
of our leaving left Mr. Dear Father  
in Laws House in Cornwell - on  
Foot because they did not give  
us any money - and we did not  
care to "steal a Ride" - and have  
refused to reply to a single Letter -  
or to come and visit us - now  
locked up for 15 long Months -  
may belong to one of Sir George  
Campbell's Choice Breeds of the  
Human Kind - but we trust that  
for the sake of those unhappy  
mortals who intermarry with  
them - as President of the British  
Association - you Sir will be good  
enough to warn all stray "young  
men from the Country" against  
venturing - as we did - to inter-  
fere with the stock of "psalms"  
"People" - the very fact of the  
"Earth" - needing "no salvation"  
in their own opinions - otherwise  
some venturesome "Passes" - upon  
the strength of the Hint from  
Sir George of Bengal - may sup-  
pose that Prizes may be offered  
by the Campbell Anthropological  
"Practical rather than Scientific"  
"Homicultural - Creature Raising"  
"Physiological - Unprejudiced - Patent"  
"Conservative Liberal Radical - Con"

(2)<sup>a</sup>  
Substantiation - Corrective - Couplet  
"Society" - for the advancement  
- above the laws of Nature - held  
in the Courtage of the Privy  
Council of the British Association,  
and a general "Bell" will be the  
Consequence - "held" - you note that  
we said the Society - not the Society  
meeting - "held in suspense" - to see  
what the Babies will be like - if  
They turn out as Hoggish as our  
only remaining dear Son <sup>now's</sup> has proved  
to be - we can only say that there  
ought to be a special act of Parliament  
passed for the suppression of  
Information about the "Stock"  
which Sir George would "Bull" in  
the markets of the world - or  
of Sir George himself - which  
we should much lament - as  
we look confidently forward -  
in fods all perfect time - in  
spite of all the Inhumanity -  
Deviltry - and Wursason of  
man - to bring - once more  
free - and making the acquaintance  
of Sir George Campbell - the second  
Lecturer upon Anthropology.  
One word more - as we have been  
denied Copies of Certificates in our  
Case - under the System of Hellish  
Subterfuges in vogue in the present day  
in England - which we shall live to

upset - Establishing - in Its Place -  
Honor - Righteousness - Absence of  
all Covalement - and plain triumph  
Decline - between Man and man -  
we cannot say that other influences  
other than those of our own family -  
by blood or marriage - other persons -  
equally agents of friends of blackest  
Hell on earth - anxious to put  
down all that God has designed  
(and will carry out - whether they  
like it or not) for the temporal  
and eternal advantage of humanity  
at large - by the wondrous develop-  
ment of our mind - in wisdom  
and godliness - until we are  
the greatest Prophet of God - not  
even excepting Jesus of Nazareth -  
"the King of the Jews" - as we are  
"spiritual King of man" - whom  
God has placed - or ever will  
put - upon this finite Earth -  
may not have had a hand  
in our most misquoting Intern-  
ment - persons who have been re-  
garded as at the very top  
of England's Tree - but Time -  
which discloses all things - will  
tell. We are no longer a monkey  
Flunking Jumpist at Unexamined  
Conclusions - we thank God - as they  
are. We have learned to know  
that all men - and women too - may

Even in Judgment - Even in their most  
cherished Opinions. We judge alone?  
by positive data. The Reasonable  
Fools of the World - on the Con-  
trary - determine by first-hand  
Guild Opinions upon Assumptions  
of Fact - and pile up Structures  
of their own mental creation -  
until - like Gladstone - they  
think themselves Sapsient -  
and all the rest of the World  
to be Jackasses - as we read in  
Richardson's admirable work upon  
the Art Connoisseur - over two  
Decades ago - "We build opinions"  
"without sufficient Examination, and"  
"form other Opinions upon those"  
"Opinions - and others again upon"  
"those - until - at last - upon most"  
"Subjects - our minds are little better"  
"than a mass of Error. The only wonder"  
"is that the trap is not greater"  
"than it is. It would be so but"  
"that some of our Opinions are"  
"carried off by accidental cir-"  
"cumstances - and others by the"  
"discovery of new Truths".

We have long been as dark in  
mind as Sir George Campbell now  
is with regard to the ~~the~~ question  
of the Progress of the Human Race.  
There can be little doubt but that  
Mankind on Earth have today similar  
Passions - like Soil Proprietors -

in the main - to those who alienated  
their Love - broke up that affection  
which alone can be potent to sway  
the mind of the Human Animal -  
and to render the House a Place  
of Sanctimony - Thousands of years  
ago - the man unkind of old.  
~~Idea~~ we come to the Question of  
Sin George why cannot man be  
improved? It falls within our  
Power to say - emphatically -  
that we can - and to show how.  
Further we are in a Position to  
affirm that Sin George did not  
put that Query by reason of  
an Idea which was born -  
as Gladstone would have us  
to believe that Ideas are  
born - in his <sup>ONLY</sup> Head. Reason  
forbids - we submit - that  
we should believe that there  
could - by remotest chance  
be a single accident - ever.  
This - we fancy - is an admitted  
doctrine by certain Philosophers.  
We affirm it - as the Christ  
Spirit Man of God - the Prince  
of Peace - the successor of  
Jesus the featherman of Nazareth.  
Incidents - whatever Gladstone  
may think - all happen by  
Design. Nevertheless there is  
a "doctrine of chances".  
If you put 50 Red balls into

③ a Bag and 30 Black Balls - as  
our old Mathematical Professor  
of the Royal Military Academy  
at Woolwich - where we were educated  
used to say - if you draw out a  
Red Ball fifty times in succession  
and each time return it - and  
draw again - it is still an even  
chance whether you draw a Red  
or a Black Ball next time.  
Why? Because you do not know  
you certain - however strong  
an Impression you may have -  
however sure you may feel  
that it cannot always go  
on in a Run of Red or  
of Black Balls - whether your  
mind will be correctly guided -  
that is to say - whether you  
will be given the true Idea -  
by the Spiritual Guide who  
is controlling your mind -  
while you faintle - and whether  
you take up the Idea that  
is thought to be conveyed to  
you - or the Incorrect Idea  
as the Case may be - In fact  
alone knows all - and you  
have the disadvantage of  
being controlled by Demons -  
who are all demented - because

No sane spirit mind would  
be in sympathy with you  
when fumbling - and all spirit  
minds in Rebellion against  
Constituted Authority - being  
out of Harmony with their  
Mental and Material  
Surroundings - (for all that  
is good and Reasonable is  
in Harmony with Surroundings  
which constitutes the Mental  
Condition of Heaven - as  
distinguished from the Mis-  
placed - or misperceived -  
Condition of Mind - out  
of Harmony with Surroundings -  
which is the Condition of  
Mental Hell) - are Drunk  
- Mentally Wasting Instu-  
ments - Unequipped and  
distracted in mind - ever  
seeking that Mental Excitement  
which is what Brandy or  
Whisky is to the Drunkard -

That Horse Racing is to the  
Jambler - What Monte Carlo  
has been to the 77- or 78  
suicides of 1886 - if the  
Newspaper account be  
accurate - or we err not  
in our Reading or Misreading  
When a man has "a Run"  
"of Luck" at gambling -  
if He is playing upon the  
"Squarrest" Table of the  
Squarrest Bank on Earth -  
(provided He is not being  
deliberately cheated by  
the thousand and one methods  
which - having seen and heard  
something during our lifetime  
and having played ourself -  
we would not trust - bec  
cause Electricity and Springs  
can hoodwink any man  
at Roulette - Electric Knobs  
on the Floor or Table can  
beat the smartest man  
alive at Cards (Whist) -  
and Clever Dealers at  
Faro can produce just  
about the Card they want)

complexes of eternal time.

(ntex) there is no such thing as complete scientific evidence for man's mind has done more learning - and the more he learns the more he knows & knows - and never will he live & learn all - during the

There is no sort of luck about it. Friends of Hell are amusing themselves at the expense of the Fools of Earth. They have power to influence the Cards - the Play - and the - so called luck - and to make it a Certainty whether you win or lose - within limitations dependent upon whether they succeed in their Influence - and not only upon the Cards - Dice or Vent - but upon your Deluded - Demented and Demented mind - as it must be if you gamble at all. So much for the "Doctrines of Chances". That is a <sup>note</sup> Scientific Explanation of why "Fortune" often favours "the young Jameson". If

(Note) The Mental Condition of the Demoted Dames - not for  
a Hermit - but to drive them to feel the Presence of the Heavenly Lord

4) He has won - He is probably  
under the Influence of some  
Demoted Spirit - such as  
He will become - unless He  
"turns slap round" - trusting  
alone to God to help Him -  
and His Mind is not strong  
enough to resist the Temptation  
to play again - and to go  
on until He has been  
quined. That is what a  
Man gets by being a Fool.  
But - in the Infinite Love  
of an Omniscient Father -  
His Ruin has a Curative  
Influence. Demoted <sup>(note)</sup>  
Steadily becomes so horrible  
- in fact all perfect Time -  
that the Soul - having  
gone through - God alone  
knows that Ages - long  
or short - of agony - at  
last - close that which  
had the mind not been  
unreasonable at first -  
It might have been  
induced to do - in

the need thereof - to say  
of Job - "make me more"  
"Humble" - "make me more"  
"grateful" - "Let me place"  
"Simple Faith in Thee - Oh"  
"God of Boundless Sympathy"  
"of never tiring love?"

were it within the limits of  
possibility for one breath of  
wind to break one limb off  
one dead Tree - upon the shore  
of the shoreless Sea of Time -  
to mingle one dead leaf  
with Ocean heaving bosom  
of a Father's love - God  
would lose control of  
Elements - unless 'twere by  
His Design - the Product  
of His will.

There is no Chance - no  
happening fortuitous. No  
Insect Crawls in all the  
Infinite Universe of Worlds  
Inhabited - looks up into  
the Sunshine - or buries  
itself beneath the Crust  
of Hollow Earth - whose mind  
- and every movement is not  
known alone to God.

Your far reaching Mind - dear  
Sir - You who have - we presume  
grown to full fledged years of the  
Scientific Age of Man on Earth -  
as it has been - Humble as  
have ever been true Scientists -  
as distinguished from Idle Headed  
Aspirants for hollow Fame -  
and not alone for Truth - must  
probably have remarked the  
absence of Finality in the Theory  
which has been advanced for  
the consideration of your  
Association in Demology.  
Like that great Philosopher  
of the Middle Ages - the Secre-  
tary of the Emperor of Germany  
of his Day - one of the Hebrew  
Scholars of note - who commenced  
life by diving into the Fascinating  
Manuscripts of Magus and  
other Astrologers - and wrote  
at an early age of 22 we  
think - upon the - so called -  
Science of "magic" - and who -  
in maturer years - lived to  
recant his Errors - so far as  
his more developed mind  
enabled him to grasp the  
more profound Truths of  
God - who alone knows all -  
and who was satirized by  
certain of the Poets - of which

5) Class - (we know not whether one  
of Gladstones <sup>Charles</sup> and to be arrayed  
against the masses) He wrote  
"Let man beware of having too"  
"Ports for his Friends - for They"  
"are more Potent for Censure"  
"than for Praise" - in words to  
suggest that Idea - because  
he was brave enough to beard  
the Monkish Doctrines with  
his indicting Spear - one of  
the Greatest men who ever  
lived on Earth we think -  
whose words inspired our  
mind to search for Truth  
aright - who wrote that  
man should wright the  
Plummet that he cast  
into the Ocean of the Provi-  
dence of God with all "his"  
Reason Science and Philosophy -  
seeking to sound the Archaic  
Depths of Truth - trusting  
in simple Faith - Alone &  
God - We refer to Cornelius  
Agrippa - the Savant con-  
temporary with Cardan the  
Mathematician of Italy (who  
used to issue challenges in  
mathematics to all Europe  
we have read) you who  
are no false Plumed  
Bird of "Humbuggery"  
Science - but a man of

Note. To have a basic aliam to explain better  
secrets - weight measure and symbols.

Humble Contemplation -  
as we judge from your  
Inaugural Address - will  
have noted that we fail  
to show why the Demons or  
Angels - who have Power to  
influence events - for it is  
not to be supposed that such  
Capacity is confined to Jan-  
bling particularly - and who  
can cause the rolling  
Marble of the Roulette Table  
to drop into the "Rouge"  
or "Noir" - the "36" or "double"  
"320" - under conditions cir-  
cumscribed by the Omni-  
potent Deity of all - (as we  
assume - for we are bound  
in Honor to God - always  
to take into consideration  
the possibility of our being  
deceived in a similar way  
ourselves - which causes us  
to desire to submit our  
views - so called discoveries  
to a Body like the British  
Association - for Their opinion)

may not themselves be  
subject to higher Influences  
controlled by them - and  
those by yet more Potent  
Influential Spirits - and so  
on up to the Highest Spirit  
of God.

We must confess that here  
we are impotent to  
furnish the desired  
Reason - without upsetting  
the Theory that there is  
a Satanic chief of all  
Evil Influences - compe-  
tent to direct and guide  
His Host of Demons,  
in "the way that they  
should go" - after His light-  
as Gladstone - for example  
might be supposed to  
inspire the offshoots of  
"Bismarckian" Causes -  
as a Causal Instrument  
of Hell - to upset the  
British Union. <sup>a Personage in</sup>  
<sup>Whom we do not believe.</sup>  
We suppose that God alone  
possesses the Ultimate "Say"

Concerning all Events - Double  
Events as well as Single.

If that be so - then it is clear  
enough to our mind - (developed  
to a higher degree - upon the Infinite  
are of God - than any other Human  
mind - past or present upon  
this Earth - in Human Form) -  
the Christ Spirit man mind -  
the Christian Spirit man  
mind - the Anointed by  
the Holy Spirit of God man  
mind - the Human Mind  
an British Officer - and  
an Yankee Soldier - that no  
Person - Angel Devil or  
Man can dictate to God  
what is best to be done -  
under all possible circum-  
stances - or will - for  
Him - against His Holy  
Will - the "Baton" of the  
"Music of the Spheres".

The boundless Universe is full  
of Infinite Blessings - half Consecrated.  
The Scientist must labor on  
to find its Truth - labor for love.  
But there is yet another  
part of our Discussion Incomplete.

(6) How can it be possible - you  
will Enquire Sir - that perfect  
fairness can be preserved -  
provided It once existed -  
which Faith in God requires  
the mind of finite man  
on Earth - (that is in a finite  
condition - akin to all Ideas  
of man on Earth - for we cannot  
mentally grasp the Infinite -  
which is far too vast for  
us) to admit without question  
and which our finite Reason  
compels us to assume must  
be - or have been - the case -  
as it appears to us - (but  
we are open to argument -  
if any person desires to  
controvert any of our  
Positions - and conscious  
of our utter fallibility -  
only anxious to be informed  
of our errors in Reasoning -  
which we are bound in Honor  
to God to assume must  
sacrat - Whether we - or  
any other Person - in Human

Form on Earth - is able to see  
Exactly in what particular  
Points) unless - within a  
given number of "Draws" -  
at the 100 Balls before  
referred to - 50 of one colour  
and 50 of another - well shaken  
up - an equal number of  
either Colour are drawn out?

We reply (we are - as usual  
relying solely upon the guidance  
of God - we may be guided  
by Angels or Demons - either  
or both - we care not which -  
because even if Devils - (whom  
we are sure must be Demons).  
as we have said - we think -  
before - for no living being  
could be a Devil and not  
be Demoned - when there  
is a God of Compassion - un-  
limited by the Prejudice  
of Monkish Flunkey Man  
on Earth - ready to make

an Angel of Him - or  
Her - by the more solicitation  
- in Action as well as in  
Thought - and Prayer - for  
more - and ever more -  
Humility and gratitude -  
be He or She the lowest  
Drum of the scoffing  
Crowd of deepest Hell -  
for Simple Faith in His  
eternal Sympathy and love

God can overrule their  
wicked minds to guide  
us Right - and even

if the Opinions - or Views  
we form are wrong - or  
but imperfectly Right -  
They must - according to  
our way of looking at  
the matter - placing entire  
Reliance upon the guidance  
of God - as we started to  
do upon Feb 10<sup>th</sup> 1885 -  
and have continued  
to do ever since - (in the

absolutely complete Confidence  
in God - before alluded to -  
which no other Person is  
Capable of appreciating -  
as we are well aware -  
but many others will be  
so before very long - and  
after our Voice has been  
heard upon Metropolitan  
Platforms - in Arguments  
for Reasonable Simple  
Faith in God - as we are  
very certain - because our  
Faith in God naturally  
and necessarily confers  
abundantly - that would be  
termed superhuman Faith  
in Ourselves - the Factor  
of all Success on Earth  
or in Heaven - ~~They do~~  
~~not materially differ -~~

9) Surely for that Reason =  
from those of the highest  
Archangel of Heaven we  
presume = because = as  
Father Humming = the Roman  
Catholic Priest of the Mission  
Chapel at Boston - Mass.  
U. S. (Highlands) remarked -  
"God alone knows all" -

(or words to that effect) - Let us  
humbly hope that the  
said Dennis would ~~say~~<sup>except</sup>  
W. Gladstone and His  
Knowledge about the true  
"Home Rule" of man  
by His God - and His  
own Knowledge about  
Lockets and Ladies -  
for Father Humming may  
be an Ass - as we told  
His Holiness that we  
had been - but knows  
"a thing or two" perhaps  
as we do - because we  
may be Daft in His  
opinion - but surely HE

would hardly have trembled  
so much if He had  
thought us deaf also - then  
we last had the Honor  
of an Interview with Him  
in the "Sanctum Sanctorum"  
of His Establishment - for  
the Education of Youth was  
it? - after He had received  
a Visit from Friends in the  
adjoining Room to that in  
which we had been waiting  
for Him - and where perhaps -  
in Gods all perfect Time - we  
may have the pleasure again  
of conversing with Him - after  
He - and the Roman Catholic Church  
all over the World - have learned  
that we were really guided to  
call upon Him - as we told  
Him at the Time - by the Holy  
Spirit of God - "When Rome"  
"Repentant - turns again - Oh"

"Sacred Heart-to Three" - and when  
we can offer to Him the  
Hand of the Veritable Christ  
Spirit man of God - like we  
were then as we informed  
Him - a Converted man -  
having "turned smuck round" -  
ceased to think - not listen  
to do - evil - and learned -  
at the Hands of the Omnipotent  
and Omnipotent Witty-to do good  
that it must be so. That is

no Reason - (so far as we  
can tell) - why out of Six  
Draws Three should be of  
one colour and Three of  
another - Is it?

Why may not we ask  
the same question about  
30 - 60 - or 600 Draws?

Why will not the same  
Rules apply in the larger  
that is admitted to prevail  
in the smaller - numbers  
of Draws? Can you or any  
other Person - inform us?

Would not the very Element  
of "Chance" - "Fortune" - "Acci-  
dent" - "Fortuitous Event" -  
"Good" or "Bad" "Luck" (////) or

whatever you please - dear Sir - to term  
the Unforeseen except by God - who  
alone knows all - who planned  
all Happenings to occur under  
Regular Laws - Infinite in  
Number and Variety - of  
which we mortals scarcely  
begin to understand, the real  
Principle of Perfect Balance  
of all Principles the most  
Fundamental and most  
Useful - Beautifully illus-  
trated in Quadruple Action  
of Forces - during the recent  
Earthquakes of South Carolina  
U.S. (////) unless we see in  
Judgment - or rather in  
Reasoning Capacity -  
which <sup>is impossible</sup> as we are not -  
we reaffirm - by any manner

8) of means an exception - in  
the whole universe of God - to  
the general ten of mankind  
upon Worlds more in number  
and variety than Sands in  
the Desert of Sahara - where  
we respectfully suggest to Sir  
Charles Wilson that He had  
better offer a Reward for  
Gordon's skull if He wants  
to get it - in the shape  
of getting us released from  
Unjustifiable - (So far as  
Human Laws are concerned -  
quite the contrary - in the  
Sight of God - under Divine  
Laws - otherwise we should  
most assuredly never have  
been shut up as an  
alleged lunatic - while  
alone knowing that Gordon  
had not been killed  
at Khartoum - but had  
joined the Mahdi's Con-  
jointment in this Hell  
upon Earth - with a

Insutal Heaven in Hell  
on Earth in the Center  
thereof - at the Coppice  
Lunatic Hospital - Not-  
tingham - England - so that  
we may be Free to pro-  
claim the Wondrous  
Truths of God - which  
as the Veritable Prince,  
of "Peace on Earth - Good  
will to man" - the Messiah  
- or Messenger - Anointed by  
The Holy Spirit of the  
One and Indivisible -  
not Triune - Triate -  
or Tribunal - Deity of  
Ancient Rome - of Egypt -  
and of India - have been  
Confided to our Keeping -  
for the use and benefit

of Man on this Earth - for  
our Proclamations - our  
Lectures - our Writings -  
and the Newspaper - which -  
provided God shall so  
direct our Mind - and  
that of some other  
Person - or Persons to  
put up the Capital -  
we shall Publish in  
London as soon as  
we shall receive our  
Release - and issue  
on the following Day -  
for that is how we  
3 antick Boys do Business  
((( for we are - by odds  
on Lord Derby )) for  
"Vrai Premier" as soon  
as he shall "turn"

"Slap round" - as Miss Nightingale  
wrote to us that Gen<sup>l</sup> Sir William  
Codrington K.C.B. then Governor  
of Gibraltar - did - as soon  
as he knew of that that  
noble - but ignoble - chari-  
table - but inhumanly the  
opposite - lady (if she  
considers herself entitled  
to that titular distinction -  
which we do not - and  
we are free from the errors  
to which Lord Randolph  
Churchill alluded upon  
Sept 3<sup>rd</sup> 1886 - in the remark  
that "if the Government  
had erred at all - they had  
erred in adopting a course  
which - almost universally  
led to error - they had attempted  
to please everybody" - because  
nothing is ever further

9) From our thoughts - we hope -  
that who will be pleased -  
or displeased by our Letters  
or Communications - We care  
not our solitary "Continu-  
tal Cuss" aught about that -  
So long as we only can  
succeed in following that  
straight - sure to Lead  
Right - Plumb Line of  
Humility towards God -  
towards all that is good  
noble and True - Because  
we are no damned Fool -  
we have Reason enough  
to realize that unless  
we can have the inevitable  
Results of doing the  
exact - strict - un-  
flinching - Right - we  
shall have to receive -  
whether we want them  
or not - the Results  
of doing what is Wrong -  
and they are not what

"This Child" "hab bin"  
"arter" - since we - by  
our single act of  
genuine - honest - thought-  
under the Swissan blessing  
of God - when a first of  
an Irish Catholic father =  
man - who has a Publican -  
at the corner of Dover  
Washington Street -  
opposite to the Windsor  
Theater - out of which  
we were turned "reek"  
"and Cross" by a "Peele" -  
by direction of the  
Salvation Army -  
under Mrs. or Miss  
Captain Hardy of that  
fanatic - but well  
meaning - and much

Blessed of God - Corps -  
at Boston - Mass. United  
States - What is called -  
Love our Heart to God -  
not trusting in Salvation  
through the Cruel Murder  
of Jesus - but in the  
Simple - and Unlimited  
and Uncircumscribable  
by Parthly - or Human  
Creeds - Love - and  
Compassion of Jesus'  
God - the One - and  
Indivisible - Father of  
all Created Beings -  
Ishovah Lord of all -  
Since which Time - we  
re-affirm - our Mind  
has - Day by Day - been  
developed - under Natural  
Law of God - Equally

Applicable - (and that is  
the main Point of our  
Long - we fear tedious -  
Letter - to your Society) -  
Dear Sir - Equally applicable  
to all Mankind - who  
possess the Will to  
Consecrate the Soul  
to the Service of God -  
to the Undivided Welfare  
of Humanity at large -  
and we have enjoyed -  
deserted by all Relations  
and Friends - Heaven -  
or Hell - on Earth - at  
this infernal Hell of  
Cruelty - as we shall  
prove that it is - in  
Gods all perfect Times -

10) although - probably - conducted  
as well as most of these  
places - and there is no  
necessity for so many -  
and we shall show how  
Insanity alone can be  
cured on Earth - which  
no man yet has known -  
unless Jesus knew it -  
which we doubt - for  
we take no stock in  
the miraculous cures  
attributed to Him - or  
in any interference  
with Natural Law  
at all - Except that  
universal interference  
which takes place  
in every ultimate atom -  
or molecular speck of  
matter - or Ethereal Sub-  
stance - if we may be

pardoned for employing  
that term to signify Essential  
(never Indivisible to God)  
Something real of Gas  
or whatever "in Hell" (or  
cordially detest all show  
of affectation of Piety -  
We are neither a Saint  
nor a Believer in Saints -  
Exceptivist Gladstone  
"Pardon" "Transcendence")  
it may be in Space -  
"not material" you will  
say - at every Infinitely  
divisible Instant of Infiniteness -  
upon the Part of Infinite  
Intelligence - as Incomprehensible  
to finite minded man on Earth -  
which is not in any sense -  
more than an Interfluent  
Influence of God - necessary  
to preserve order - to avoid

The Chaos which never did  
Exist in any Part of the  
absolutely Boundless Universe  
of Infinite Space - all Born  
by - all operated by the  
One and Indivisible God -  
Whom alone we bend -

in our own Infinitely  
Imperfect Mind - saying -

"Thy Holy Will - on Earth"

"Be done - Thy Will be"

"done") with the kindest

of intention - told us - &

which we have detailed

in our writings - not out

of spite against any one -

we trust that we have no

such feeling now - but

because absolute openness

is the price of freedom -

from mental trouble - with

God - Death & Concomitant  
of every kind - Honestly  
and straight forward  
Truth telling about everything  
known - as far as God  
Himself is - with the  
proper Reserve of Propriety -  
and occasions - of course -  
and Consecrate to Gods -  
for Mankind at large -  
the remainder of His  
Life - which we can  
tell Him how to do -  
When He Commences - hourly -  
in the silent Chambers of  
His Heart to say to God -  
"make me more humble"  
"make me more faithful"  
and is ready to humble  
Himself - not to us by  
any means - God forbid -  
but to all that is good  
noble & true - in the  
sight of God - and becomes

11) Happy at last - as we  
are and have been all  
along - trusting alone to God  
the true Mohdi of Mohammedan  
Mind as much as of Christian  
and of all other Mind on  
Earth - )))) and which will  
not only call Gordon back  
but restore Peace to  
the Sudan - and not less  
to all the Nations upon  
Earth - in fact all  
perfect say and Time ))))  
as described in the Daily  
News in an account which  
reads almost like a  
Zankee Zerk about Insanity -  
& details a Train at  
full speed Experiences -  
which we have not the  
Paper before us to refer  
to but can explain another  
Time that we mean ))))

be negatived if some living  
Personage - except God -  
possessed Knowledge which  
must necessarily be reserved  
for Him in perfection of  
Fairness - if the Element  
of uncertainty were  
withdrawn - and  
Uniformity - impossible of  
Existence in all the Vast  
Fields of Mind and Matter  
throughout the Infinite Universe  
of a God who knows no  
sense of Change from all  
that is True - Just -  
merciful - Loving - and Good.

Yours obediently

Pittkington Jackson  
Prince of Peace  
in love  
for God.
