Dear Sir William

I have read
your Address with
very great interest.
Thank-you much
for sending it your-
-self so promptly
There will be a

few more addresses
I must read as they
come out in "Nathan".
I've mustn't cease
to take interest in
anything, tho' of
course, everything
connected with the
B. A. is is very painful
to me. You seem

So have had a
very bad storm in
Briham on Saturday
The children & I were out
in it & it did rain
I could hardly keep
my eyes open, but
fortunately the ponies
were very good.

We may think our-
selves fortunate,
though, if we only
get the storms and
not the earthquakes
which seem approaching
~~us~~ on every hand.
I shall think of you
all on Thurs-day. Some
day, I hope to go to Canada
again with the children.
With kind regards
Believe me
Yours sincerely
Wm Pitt Rivers
