MILNE GRADEN,
COLDSTREAM.

My Dear Sir William Dawson

Many thanks for your great kindness, in sending to me a copy of your paper, read to the current meeting of the British Association. Having had read some by my daughter, a considerable portion as published in some newspaper I shall enjoy the reading of the copy in full, from your own copy, which you have sent, should I live long enough, to be able to do so -

I have always read with interest your publications when they reach me

MILNE GRADEN,
COLDESTRAW.

and will continue to do so, whilst life
is spared to me

I am sorry that you are not to
visit Scotland, during your present visit,
but shall hope occasionally to hear from
you

I remain, yours very truly

David Milne Home

I send to you by parcel post, copy
of my "Boulder Reports," of several
years, bound together -
