Dear Sir

In your name I was asked to
attend a Devotional Meeting on Sunday
after a 2 hours service at St. Philips.
But as you know that there is no liberty
in the Church to teach the gospel in any
way that God would have mercy & not sacrifice
& that it was His Word to save us from a heathen
& sacrificial worship as false & not-cognizing
it as true.

And yet all the Churches support the heathen
notion of sacrifice.
But how could the Adversaries of Christ
be worse than Shaddai him; Crucify him,

persecute; imprison, slay, & stamp
out his followers; & his gospel, per-
vert his gospel to be the very opposite
of what he taught; establish this perse-
cution by blood & iron, in his name as
his; - bribe & delude the world to pro-
fess & believe it, & stamp out all who
would not? (as illustrated in the picture
of the Martyrs in the Council House.)

If Antichrist could not do worse
or teach worse than how can the
Church be otherwise than Antichristian
What it teaches what Christ's Belovers
see, shudder & condemn would wish
