

Chund
Montreal, 1st Oct. 1886

Sir William Dawson
McGill University
Montreal.

Dear Sir William;-

Your note of yesterday has just reached me. If nothing unforeseen occurs to prevent, I will be at your place Monday evening next.

I have some fears as to my being able to get down to the meeting of the Protestant Committee owing to the circumstance that a

very important case of
mine has been fixed for
the 6th October and it appears
impossible to adjourn it.

Faithfully Yours.

L. Russell
