

Toronto. Oct. 11
1886

Dear Sir William Dawson,

I have only just
returned to Toronto and
have not yet heard
what is going on in the
City. But I will inform
myself without delay,
and you may be sure that
I shall be glad to take

advantage of any opportunity
I may have of bringing your
services qualifications and claims
under the notice of the members
of our Council. His Father's
name will be his best
introduction and his own is
well known in respect of the
high testimonials which he
bears.

Yours most truly
Edwin Smith.
