

The Auditor
Thursday Morning
WELLESLEY COLLEGE,
WELLESLEY, MASS.

Sir Your Daughter

McGill College,

My dear Sir,

Mr. Durant and
I are most happy to
promise ourselves the
pleasure of dining with
you and Lady Dawson
this evening.

I am very kind
in thinking of calling
this morning. We
cannot see you too often.

but we ~~will~~ not give you
that added care in this
busy day, as Dr. Kelley
arranged last evening
to call at 11 o'clock to
accompany us to the
High School.

I am,

Very sincerely,

Miss E. Furman.
