3rd November 1886.

Dear Sir

In the absence of
Capt. F. Petrie I am acting
as the Hon. Secy. to the
Victoria Institute, and
have received a letter
with a message for you
and your sons - seeing
that is pressing, and no
time to be lost, I at
once forward you are

extract. At the same
time I forward the letter
referred to, to Captain
Petrie, who is in Rome,
and will probably not
be able to return until
the middle of this
month -

Believe me
Dear Sir
Fidelity yours
Geo. Wm. Hallows

Extract from letter from
Sir Fredk. A. Wald, Gt. St. Mary's

"Would you be so good
as to tell Sir W. Dawson
or his son that if the
latter would like to
become a candidate
for the Curatorship of our
Museum I hope that
he will at once put
himself into communication
with the trustees of the

British Museum, who
have been asked to
make enquiries, & who
have particulars which
I think my letter to
Mr. St. George Miart
also gave. It would
take too long to carry on
the communications
between this and Canada,
and the Museum
is approaching completion.
