

Silver & Electro Plate Works.

Newhall Street, Birmingham.

TELEGRAPHIC ADDRESS:

"ELKINGTON," BIRMINGHAM.

Nov 2nd 1886

Sir W. Dawson F.R.S.

McGill University

Montreal.

Sir -

We have the pleasure to reply to your favor of 27th ulto. and beg to assure you that our copy that you saw at our Exhibition here of the Croquet needle, is quite correct in all the details. We will fit a piece of bronzed metal to cover the broken base, removable at pleasure & as soon as it is ready we will forward it to your instructions, Sir -

Very obediently yours -

Elkington & Co

J. S. F. R.
