My dear Mr. Witham

I think it proper
to let you know that
I am about resigning my
office of a governor of
McGill University. I have
been laid up for a
week lately, again, and
cannot make the attend-
ances necessary in the
future. I see it, and
cannot be a mere nomi-
-nal governor. I had
better

better make room for
a younger, & more active
person. Yours very truly
A. Mackay
