My dear Sir William -

Enclosed

herewith I send an imperfect
"proof" of ticket for your Lowell
Institute Lectures - Please
make the alterations needed -
to suit circumstances & your
own wishes.

If you will give us eight
lectures - the dates &c on the
proof will be right -

If seven lectures, the first
lecture may be given ~~Dec.~~ Dec. 24th

If only six - Dec. 28th -

You will observe that the
evenings are of Tuesdays & Fridays
- being rather better for us,
& not ~~inconvenient~~ ^{inconvenient with} your note of
June 25th - last. I have put

several queries, in pencil, on
the ~~the~~ proof, which you
will kindly notice, & answer
by putting in, in ink, as you
prefer, or find necessary.

I enclose also a slip, printed
originally to answer the various
questions usually asked by lec-
turers & others - also the first
advertisement for 1886-7; & a
sample ticket -

Should you be willing to have
the subjects of your several lec-
tures printed on the back of
ticket, please send me a "copy" -

Please also let me have your
name & titles as you wish them
to appear in Advt. & on ticket -

An early answer (at your convenience)
will oblige
