December 20th, 1886.

To Sir William Dawson L.L.D., F.R.S., &c.

Dear Sir,

I regret very much that there should have been any irregularity in the certification of Prof. Lapworth's paper for the Royal Society of Canada.

Enclosed you will find an extract from the minutes of the proceedings of Section IV on May 27th, 1886, the day on which the paper in question was read & accepted for publication.

Please be so good as to sign your name in the place left vacant at the bottom for that purpose & pre-mail the extract thus signed to Dr. Hunt, as Chairman of the Printing Committee.

I hope that this certified extract from the minutes will be sufficient to satisfy the said Committee.

Truly yours,

J. F. Whiteaves.

(Secretary of Section IV.)
