Dear Sir William
I must inclose
a line to you with
Barwick's letter to
Lady Dawson. I am
so pleased to have
the bound copy of
your address & am

putting the sketch
of Vesuvius in ^{as} the
frontispiece, which
you made for Bar-
=wick. He is just de-
=lighted with Lady
Dawson's present,
but his own eponi-
=mious letter will
explain that.
We are having a good

deal of snow in
some parts of the
country. Barwick
was very anxious
to get enough for
a toboggan slide for
the one Lady Dawson
has sent him!!

I hope his photograph
has reached you safely
- the two parcels

must have crossed
exactly & I dare say ^{the photo.} ~~of 1863~~
is being delivered today.
My Father sends his
best remembrances &
says he would be very
glad to have another
day with you on Enville
Green Walk.

With best wishes from
myself ~~(55)~~ (banks) to Lady
Dawson & yourself
& Miss Dawson
Very sincerely yours ~~Edw. Dawson~~
