

Roxbury, Boston, Mass<sup>us</sup>

My dear Sir,

Perhaps it  
may be as well to address  
of Lowell Institute  
Huntington Hall  
187 Boylston St  
Boston.

Yours truly

This is, to be sure, rather  
formidable; but it will  
render miscarriage quite  
impossible.

The ~~Mass~~ Institute of Technology  
in whose building Huntington Hall is  
has many departments avoid refer-  
ence to it on letters to the Lowell  
Institute.

Yours very truly

B. S. Cottings

Sir Wm. Brewster.
