London Jan^y 4 1887
E.C.

My dear Mr William Dawson

I have great pleasure in
informing you that our Com-
mittee adopted your present
draft - The day after to-
day morning with the
warmest appreciation and
approval. I have written
copyright order at the
usual rate for the Series.
As soon as I can look through

my notes of the conversation
in case I shall send them
to you for your consideration
that you may finally
revise the tract in
the light of them.

I shall be glad to have
the tract back again as soon
as you can send it to
me that I may issue
it at the earliest practicable
date. I will be sure

be widely read and

very useful.

I trust that you received

the copies you ordered

of your ⁱⁿ Points of contact

between Revelation and

Science. I placed my

order in the proper

hands to have it

carried out.

I remain faithfully yours,

John Kelly
