Montreal

8th Feb. 1884.

Dear Sir William Dawson

I am desired by His
Excellency to thank you
for so kindly inviting
him and the members of
His Staff to make use
of the Library of the
University, and for
also extending to the

party the privileges of the
Redpath Museum, during
the residence of His Excellency
in Montreal.

I am afraid that our
numerous engagements
will not give us much
spare time, but we shall
hope to take advantage
of the kind invitation
of the University.

Believe me

Yours sincerely

H. J. Landon
