Dear Sir William

The book arrived just
in time for my boy
to carry it off with
him.

A great many thanks
for your kind thought:
if the lads have a
reasonable good passage
I have no doubt that

They will be able to
read a good deal
on board and that
your gift will prove
a valuable addition
to their library.

Streatfeild has
written or will write
to you as to our visit

to McGill.

With best thanks

I am

Dear Sir William

Your sincerely

Landowne
