Sir J. W. Dawson L.D.

Dear Sir:—

I am concerned to hear that on the 15<sup>th</sup> inst. (a week after its despatch) our package had not yet reached you. I think this is an unreasonable delay. I hope it has arrived safely before this. Please let me know if it has not, as we hold the Company's receipt.

~~I In~~ I inclose acknowledgment of your remittance. Thanks for your promptness.

Shall I place the name of the University on our subscription list, and send the publications (or either of them) as issued?

Yours truly  
Edw. J. Nolan.
