Dear Sir

The enclosed is a list of plants occurring in the several formations in the district on which I am now reporting, as gathered from the specimens named by you and from the lists that you have kindly sent me. As however I would not wish to have it printed till finally revised by yourself, I enclose it to you for any corrections or emendations that you may think necessary.

Yours sincerely

J. B. Lyell.

Dear Sir  
The enclosed is a list of plants  
occurring in the neighbourhood of the  
district in which I have been employed  
in connection with the specimens sent by  
you and from the list the you have  
kindly sent me. I have been  
able to have to print the full  
names of genera, I enclose to you  
my notes on the distribution of the  
plants in the neighbourhood.

Yours  
J. D. Hooker
