Dear Sir William

If you have time, glance your
eye over an article of mine
in the Jubilee Star "Canada
today and fifty years ago"
a résumé of a variety of
things, History - Law - Edu-
cation - on p. 4. is a mention
of Baddley. Inqall - Bayfield
& the beginning of the Sedoogy
in the Province - This is of
course not new to you - but
not much known to general
readers nowadays

Sir William Dawson.
