Dear Mr. Wilson

Please take
your own course fully.
All we are anxious about
is 1) that the book shall
be as good as possible
2) that it may be revised
as soon as possible.

We are also about to
reprint 'Chain of Life'
Now this, I imagine
from what you said when

I had saw you
may want considerable
news in Walyon
kind of turn your
consideration to this
as soon as Egypt &
Lydia is out of the
way.

With kind regards
Yrs sincerely
R. Lovett
