

Cerrum Matheson  
Toronto Ont.

Aug 21<sup>st</sup> 1887.

Dear Sir

I hope you will pardon  
the liberty I am taking in  
writing you. I have been  
trying to look up a  
young man who would  
<sup>take</sup> the position of resident  
 Tutor & lecturer in Natural  
Science in St. John's  
College, Winnipeg. I speak  
last Monday in Montreal  
& he endeavored to see some  
of the Professors of the Coll  
but found that they were

now we shall feel greatly  
obliged to you. So many  
of our young men wish  
to take the Science course  
that we must obtain a  
lecturer before September.  
I trust that you will  
pardon me for troubling  
you in this way

I am very truly yr

all away. The Rev. Jesse  
Rogers, one of your graduates  
advised me to write to you.  
We want a young, un-  
married man who has  
gone out in natural  
Science. At present  
we cannot <sup>offer</sup> a large salary  
but if the man we get  
suits us, his prospects will  
be good. Mr Rogers thought  
that you might be able  
to suggest the names of  
some of your graduates with  
whom <sup>we</sup> might communicate. He  
himself spoke of a Mr  
Evans. If you can kindly  
suggest two or three
