23. July 1889

Dear Sir William,

I have a  
letter from Mr. Can  
opening to come if  
we can delay her  
appointment for  
some months, getting  
a "locum tenens" for  
that period - I have

asked Riddell to  
to get Dummer  
and Maspherson  
to meet me on  
Tuesday in his office

What do you say  
to this arrangement?  
Please telegraph to  
me at the Windsor.

I am asking  
my Can to telegraph  
if the card came  
on 1<sup>st</sup> January, or  
what would be the earliest

date at which she  
could have -

Yours sincerely

James Barclay
