

Montreal 29 July 1887

Dear Sir William

I wrote you day before yesterday, saying I had an answer from Crossley & Co of Manchester re the Otto engine & dynamo. But had not see Mr Frank Redpath or Mr Lawson. I have since seen them both and Mr Lawson will give us an estimate very soon. Mr Redpath explained the delay in seeing Mr L to his L's absence in New Brunswick. If Mr Lawsons estimate is satisfactory as to price & guarantee I think it better to arrange with him

Yours Respectfully
