Dear Sir,

I have been applied to by Mr. F. Frankenstein, now of this city, for the position of teacher of both German & French, in the Conservatory. In his application Mr. Frankenstein states that he was employed in these same departments in McGill University High School, and he refers us to you for a testimonial as to his qualifications.

At first we purpose entrusting the entire course to one teacher, and I will return it a favor if you will kindly let me know your full opinion as to Mr. Frankenstein's qualifications to teach from the rudiments up, in French & German, to acquire correct pronunciation, & ability to read and translate freely. Also, if you can speak of his general reputation & character, I will be glad.

By this mail I send you a copy of our Calendar, in the hope that it may interest you, being a new & we trust a not unimportant educational enterprise.

I am Dear Sir,
Yours faithfully
Edward Fisher
