

Worcester 213

Aug 27/87.

Dear Sir William,

On receipt of Florence's
letter of 25th inst I
telephoned to the
Genl Passengers office
and found that everything
is satisfactory concerning
the seats in the Pullman,
for 1st of Sept., therefore
you will have no further
trouble.

I hope Lady Dawson

and all the other members
of your family have
benefitted by their change
at the seaside. We down
in this part of the world
have been having
remarkably cool weather,
very different from Montreal
in July.

Please remember me very
kindly to all at Paris &
Bellevue me

Yours very sincerely
Percy, Elliott
