

Andover, Mass.,  
Sept. 15, 1887.

Dear Dr. Dawson

This note will be presented to you by my friend Rev. Henry E. Barnes D.D., a very agreeable gentleman in whom you will find a hearty and intelligent sympathizer in your own religious and educational work. For any attention shown him I shall be very grateful.

Mrs Merrill joins me in kindest regards to Lady Dawson, your daughter, and to yourself.

Yours sincerely

Selah Merrill
