

Sir J. William Dawson

Dear Sir William,

I enclose herewith for your  
perusal, letter read by the Chairman  
of the Province of Quebec, last night,

It is evident the Hon James  
W. Shaw promised our late Secty,  
W. Cartier more than he could get  
for the N. H. S. And we have to do  
the best we can with four hundred  
dollars in place of seven or eight,  
This will hamper the work of the  
Editing Committee somewhat  
I fear,

I beg to remain

Dear Sir William

Your obedient Servant

Wm. S. Stewart.
