

only to let Lemier here I said thro:  
the Lane me a word for Lemier.

169 Drummond Street  
March 28/87

Dear Mr William

I think of putting  
out a little paper about  
"our valued friend"  
Mr Hayes as you  
called him at the funeral  
last week.

If there is any word  
you would like to say  
I have referred about  
him. I shall be glad  
to receive it —

Yours faithfully  
Geo M Taylor
