Dear Sir William,

I am in receipt of yours  
of yesterday and as requested have  
ratified Dr Muslow of his election  
as a corresponding member of the  
Natural History Society.

I will prepare a diploma for him.  
Mr S. Praver tells me he does not know  
of any change being made for same.

Yours truly  
C. S. Holden

Manuscript text at the top of the page, appearing to be a date or reference number, possibly '1841'.

Handwritten signature in black ink, possibly 'Arthur' or 'Arthur...'. The signature is written vertically and includes a flourish.

Main body of handwritten text in cursive script, which is mirrored from the reverse side of the page. The text is mostly illegible due to the bleed-through.
