

Montreal Dec 7/87

Dear Sir William

Your favor of
2^d enclosing Circular from
the indefatigable Dr
Whistlow reminds me
of my remissness in
this matter which I shall
now do my best to make
up for. I have just
received a copy of
M. Naville's "Goshen"
forwarded to my care

Gen Dec 27

Pres

for the Redpath Museum
and will take the liberty
of looking it over before
sending in. If you
are kind to give sub-
scriptions I will have
pleasure in forwarding
it, and will undertake
that it does not go un-
accompanied —

Thanking you for your
kind remembrance believe
me sincerely yours

Robert R. Mc
