Dear Sir. William

Thank you very much  
for continuing the "Boys Own Paper"  
for '1888. I have begun to read the  
leading story, and find it very in-  
teresting. I have had the Volume for  
1886 bound in a brown "Publishers"  
case, it makes a handsome book;  
and hope to have the others bound  
also. Hoping you and Lady Dawson

are well. With kind love, in  
which my Sisters join

Yours affectionately  
Ernest Elliott,
