

Ann Arbor, Mich.
May 7th 1888.

My Dear Sir.

As that paper on
the Frog-wis Beach, which
I sent you in M.S., has
not been published beyond
a few notes of progress of work
in Science Jan. 27th, I would
be glad if you could have
it accepted by the Royal Society.
As it was my intention to
go into the field as early as
possible this summer,
I decided not to publish until
I had an opportunity to connect
if possible the Lake Beach
with the name ^{of} Lake
Champlain. So if accepted

Dear

by the Royal Society - I would
be able to make additions,
and changes, if necessary,
before the M.S. would go
to print.

The great Survey of Penn.
Clous next June. Prof. Besley
has offered to publish the
whole work upon the
Origin of the Lakes, & if
I can have M.S. ready
by May, but - I doubt it.

I have already started for
the field.

My address for the summer
will be the above, whence
my letters will be forwarded.

Besides the question of
connections of beaches with
the Depots of Lake Cham-
plain, I want to examine
the old beaches north of the
Ottawa, and again examine
